### **Curriculum Definition - The Glossary of Education Reform**

Philosophy of education, philosophical reflection on the nature, aims, and problems of education. The philosophy of education is Janus-faced, looking both inward to the parent discipline of philosophy and outward to educational practice. (In this respect it is like other areas of “applied” philosophy, such as the philosophy of law, the philosophy of science, and the philosophy of medicine, including bioethics.) This dual focus requires it to work on both sides of the traditional divide ...

### **Philosophy of Education (Stanford Encyclopedia of Philosophy)**

Philosophy is an odd subject and philosophy of education is an odd sort of philosophy, so that makes it double-down on its oddness. Philosophy of education has evolved largely at the

edges of mainstream philosophy departments in the academy,

and has a distinct history that often means they are invisible to that mainstream.
