Because municipal government falls under the jurisdiction of the provinces, there are 10 distinct systems of municipal government in Canada, as well as many variations within each system. The variations are attributable to differences in historical development and in area and population density. Thus, the legislature of each province has divided its territory into geographic areas known generally as municipalities and, more particularly, as counties, cities, towns, villages, townships, rural ...

Andrew Sancton - Political Science - Western University

Written by esteemed political scientist Andrew Sancton, Canadian Local Government: An Urban Perspective is a comprehensive introduction to municipal government in Canada. The text emphasizes that what happens in local government affects our lives on a daily basis just as much, if not more, than what happens at the provincial and federal levels.

Canadian Local Government: An Urban Perspective: Sancton ...

Urban governance refers to how government (local, regional and national) and stakeholders decide how to plan, finance and manage urban areas. It involves a continuous process of negotiation and contestation over the allocation of social and material resources and political power. It is, therefore, profoundly political, influenced by the creation and operation of political institutions, government capacity to make and implement decisions and the extent to which these decisions recognise and ...
