Chapters From Books

An authored book is a book in which the same person has written all the chapters. If you used information from just one chapter of an authored book, write a reference for the whole authored book, as in the following example. Do not write a reference list entry for only a chapter in an authored book. Kearney, D. J., & Simpson, T. L. (2020).

Book chapters: What to cite

A chapter is one of the main divisions of a piece of writing of relative length, such as a book of prose, poetry, or law. A chapter book may have multiple chapters and these can be referred to by the things that may be the main topic of that specific chapter. In each case, chapters can be numbered or titled or both.

Chapter (books) - Wikipedia

Chapters in book series You may come across an edited volume (that is, one in which the chapters are written by different authors) which is also part of a series. Your reference needs to give the details of the chapter first, then the word “In”, then the details of the book, then the details of the series.

Referencing books and book chapters - Find out about ...

Book chapter (in an edited book) In the citation use the name of the author of the chapter, not the editor of the book. When the author name is not mentioned in the text, the citation consists of the author’s name and the year of publication in brackets.

Book chapter (in an edited book) | Leeds Harvard ...

If there are different authors for each chapter, you need to reference EACH chapter you use. If you use multiple chapters from a book with different authors for each chapter, you still need to reference EACH chapter you use. (This is because you need to acknowledge who wrote the work you are using, not the person who edited/compiled the book).

Book chapter - APA 7th referencing style - Library Guides ...

MHRA Referencing – Citing a Chapter from an Edited Book When a book has a single author, or even when it’s co-authored, knowing who to cite is simple. But when each chapter in a book has a different author, referencing gets trickier. And yet edited books are invaluable when researching an essay.

MHRA Referencing – Citing a Chapter from an Edited Book

Check the page on Books and book chapters. The format of a citation varies with the number of authors of the work, ensure you check the formatting is correct for the number of authors of the resources you are citing. Book Chapter - Print
