Strategic management

text and cases

Strategic Management from an Islamic Perspective

Text and Cases *John Wiley & Sons*

Fascinating insights into modern strategic management from an Islamic perspective. While strategic management is a cornerstone of any MBA program, it's almost always taught from conventional theories and typically American case studies. This book takes those traditional theories and interprets them from an Islamic perspective using more international case studies. Though primarily intended as a textbook for business students, the book is also extremely useful for any Muslim business leaders who want to transform their businesses while complying with Shariah, with a particular focus on developing corporate cultures and structures in sync with Islamic values. Offers a critical review of conventional strategic management theory, suggesting more effective alternatives based on a combination of conventional and Islamic theories. Includes international case studies, each with a particularly Islamic angle. Written by a successful author team that has written extensively on the subject of business management from an Islamic perspective.

Human Resource Management

Strategic Analysis Text and Cases *I. K. International Pvt Ltd*

It draws on the latest research by management scholars and insights from executives to balance accessibility with rigor. They provide separate chapters on the role of intellectual assets in value creation (Ch. 4), entrepreneurial strategy and competitive dynamics (Ch. 8), and fostering entrepreneurship in established organizations (Ch. 12). This version includes the all the text and 38 cases.

Strategic Management

Theory and Practice *SAGE Publications*

In Strategic Management: Theory and Practice, Fourth Edition, John A. Parnell leads readers through detailed, accessible coverage of the strategic management field. Concise and easy to understand chapters address concepts sequentially, from external and internal analysis to strategy formulation, strategy execution, and strategic control. Rather than relegating case analysis to a chapter at the end of the book, Parnell aligns each chapter's key concepts with 25 case analysis steps. Current examples and high interest real-time cases, largely drawn from The Wall Street Journal and Financial Times, illustrate the key role of strategic management in the United States and around the world.

Strategic Management

Strategic Management *Excel Books India*

Designed to facilitate understanding and retention of the material presented, each chapter contains the following pedagogical features:
 • Opening Case: Each chapter begins with an opening case highlighting strategies and actions followed by Indian companies while trying to exploit the opportunities present in a competitive environment.
 • Real World Examples: Each chapter contains a number of real-world examples illustrating how a particular firm has exploited the gaps present in the environment, using its own resources to best advantage.
 • Terminology: Key ideas and terms that are vital to understanding strategic management have been highlighted throughout the book and explained at the end in a summarised form.
 • References: Each chapter is also supported by carefully selected references for the benefit of readers who might be interested in exploring the topic(s) further.
 • Personality Profiles: Personality sketches of leading corporate heroes have also been provided at appropriate places, illustrating the manner in which they fought against heavy odds and emerged as winners in the end.
 • Review and Discussion Questions: Following the terminology, review and discussion questions offer an opportunity to focus on each of the key ideas illustrated at the beginning of each chapter and stimulate clear thinking.
 • Research Inputs: The book provides a comprehensive coverage of a vast, growing subject well-supported by a wealth of research data collected from multifarious sources.
 • Concluding Case: Each chapter contains a thoroughly researched and widely-acclaimed case, picked up from Business Today, relevant to the topic in question.
 • Student Oriented Text: The subject matter has been presented in a simple and lucid manner, keeping the unique requirements of students

in mind.

Cases in Strategic Management

A Flexibility Perspective *Springer*

This book shows how strategic management can be practiced in the context of flexibility. It discusses strategic formulation and implementation perspectives and practices, including vision and mission, general environment analysis, industry analysis, competitive advantage, resource and capability view, generic strategies, business level strategy, corporate level strategy, international strategy, change and turnaround, strategic implementation, and strategic controls, as well as flexibility embedded in these concepts. It can be used as a primary textbook for managerial programs for executives, and as a supplementary case textbook for core MBA courses. Exploring "Strategic Formulation" and "Strategic Implementation" concepts from a flexibility perspective, it is also an excellent companion to leading strategic management textbooks.

Strategic Management

From Theory to Practice *Routledge*

Leadership, adaptability, value creation. These are the skills necessary for tomorrow's managers. Allen Amason approaches the topic of strategic management with these traits in mind. Rather than simply teaching theory and research, he seeks to communicate to them the fundamental keys to how strategy works. This book is designed to help students think critically and understand fully how to strategically manage their future firms. In so doing, it will enable them to adapt and learn, even as their circumstances change; to apply sound logic and reasoning, even in new and unfamiliar settings. By conveying enduring and fundamental principles of economic and human behavior rather than simply reporting on the latest innovations, this book succeeds in preparing students to excel in the business environment over time, regardless of how it evolves.

Strategic Management

Concepts and Cases, Global Edition

For undergraduate and graduate courses in strategy. In today's economy, gaining and sustaining a competitive advantage is harder than ever. Strategic Management captures the complexity of the current business environment and delivers the latest skills and concepts with unrivaled clarity, helping students develop their own cutting-edge strategy through skill-developing exercises. The Fifteenth Edition has been thoroughly updated and revised with current research and concepts. This edition includes 29 new cases and end-of- chapter material, including added exercises and review questions. MyManagementLab for Strategic Management is a total learning package. MyManagementLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams-resulting in better performance in the course-and provides educators a dynamic set of tools for gauging individual and class progress.

The "Corner Office" columnist and head of a Pulitzer Prize-winning national reporting team draws on the insights of such leading CEOs as Microsoft's Steve Ballmer, Yahoo's Carol Bartz and DreamWorks's Jeffrey Katzenberg to identify proven leadership principles as well as the qualities that CEOs most value in their employees. 40,000 first printing.

The Cores of Strategic Management *Routledge*

Most strategic management textbooks seem to stem from the old belief that "more is always better" (tm). But in this age of data deluge, many are calling for a return to the basics. If students can master the core concepts and learn how to apply

these basics, they are bound to be better equipped to approach and resolve even the most complex problems. This book, unlike most textbooks, focuses on the core concepts of strategic management, aiming to help students understand the basic ideas of the field more clearly, rather than overloading them with new, peripherally-related information. With cases designed to help students apply their deeper understanding of the core concepts, this book will equip any student with the solid grounding in strategic management fundamentals needed to succeed in the academic and professional arena.

Transnational Management

Text and Cases in Cross-Border Management *Cambridge University Press*

Transnational Management provides an integrated conceptual framework to guide students and instructors through the challenges facing today's multinational enterprises. Through text narrative and cases, the authors skilfully examine the development of strategy, organizational capabilities, and management roles and responsibilities for operating in the global economy. The key concepts are developed in eight chapters that are supplemented by carefully selected practical case studies from world-leading case writers. All chapters have been revised and updated for this eighth edition to reflect the latest thinking in transnational management while retaining the book's strong integrated conceptual framework. Ten new cases have been added, and four others updated. A full range of online support materials are available, including detailed case teaching notes, almost 200 PowerPoint slides, and a test bank. Suitable for MBA, executive education and senior undergraduate students studying international management, international business or global strategy courses, Transnational Management offers a uniquely global perspective on the subject.

Strategic Retail Management

Text and International Cases *Springer*

This book is devoted to the dynamic development of retailing. The focus is on various strategy concepts adopted by retailing companies and their implementation in practice. This is not a traditional textbook or collection of case studies; it aims to demonstrate the complex and manifold questions of retail management in the form of twenty lessons, where each lesson provides a thematic overview of key issues and illustrates them via a comprehensive case study. The examples are all internationally known retail companies, to facilitate an understanding of what is involved in strategic retail management and illustrate best practices. In the third edition, all chapters were revised and updated. Two new chapters were added to treat topics like corporate social responsibility as well as marketing communication. All case studies were replaced by new ones to reflect the most recent developments. Well-known retail companies from different countries, like Tesco, Zalando, Hugo Boss, Carrefour, Amazon, Otto Group, are now used to illustrate particular aspects of retail management.
