### Client Centered Practice In Occupational

**Aims:** The occupational therapy profession has long proclaimed its commitment to a client-centred philosophy of practice and the assumption that occupational therapists consistently practice in a client-centred manner has become central to the profession's self-image and public rhetoric. However, client-centred practice has been subjected to little critical reflection within the occupational therapy profession.

For this second edition, all chapters have been updated and new concepts ...

### Client-Centered Practice in Occupational Therapy: A Guide ...

Client-centred rhetoric is politically expedient and may be a professionalizing strategy employed to increase status and entrench power. Practice conclusion: Although exemplary client-centred occupational therapy practices exist, evidence suggests that the profession does not adhere consistently to its espoused

client-centred principle in all its practices. The client-centred practice of occupational therapy should be subjected to assiduous critical reflection.

**Client-centred practice in occupational therapy: Critical ...**  
RESULTS. The occupational therapists in this study indicated use of the principles of client-centered practice in their delivery of occupational therapy services. Their clients, however, displayed mixed perceptions about their role as active participants in client-centered practice and all responded in the negative when asked if they were aware of the approach.
