Exceptionalism is not only a pressing political concern, but raises more profound politico-philosophical questions. It is not derivative of the problem of freedom, but primary to it, and indeed primary to politics itself. Hobbes and Kant engage precisely with what is at stake in these current political concerns.

Exceptionalism and the Politics of Counter-Terrorism

According to Jef Huysmans (2006), exceptionalism reshapes political

communities in three respects: it redistributes fear and trust, it reconsiders inclusion and exclusion and it institutes a predisposition towards violence. 6 Although fear of crime has been an important topos of criminological research, debates about state crimes and moral panics often ignore the ways in which exceptional policies revolving around fear feed back into society.
