In the English law of tort, professional negligence is a subset of the general rules on negligence to cover the situation in which the defendant has represented him or herself as having more than average skills and abilities. The usual rules rely on establishing that a duty of care is owed by the defendant to the claimant, and that the defendant is in breach of that duty. The standard test of breach is whether the defendant has matched the abilities of a reasonable person. But, by virtue of the

Professional negligence in English law - Wikipedia

If the alleged negligence (or the amount of your claim) is denied, you will need to bring a claim in the courts against the professional (and effectively their insurers) and demonstrate that the professional performed his/her job below the standard expected of a professional in their industry and that as a result of that negligence you have suffered a loss..
