Set yourself up for success by getting

your mind and body ready for the process of improvisation. Remember, you don't have to do the same warm-up everyday. One day start with a few ear training exercises, another practice a line you've transcribed, and on a rough day get focused again with a few minutes of meditation.

3 Abstract The ability to improvise is one of the most demanding for a jazz musician, and “one of the most complex forms of creative behaviour” (Beaty, 2015). Jazz musician accounts attest to this, describing how improvisation is fraught by “limitless challenges under tremendous pressure” (Berliner 1994:239). In mastering such a skill, a musician must be able to navigate
