Deep Green Resistance Strategy To
Deep Green Resistance (DGR) is a strategy to save the planet, based on an analysis of civilisation that sees it as inherently destructive. DGR-UK is part of a growing movement that sees the need for both a robust and visible culture of resistance and an active underground that together restrict the ability of civilisation to further damage our world.

Deep Green Resistance UK - Deep Green Resistance UK

(March 2014) Deep Green Resistance (DGR) is a radical environmental movement that views mainstream environmental activism as being ineffective. The group believes that industrial civilization, as they define it, is endangering the environment, and that

it must be destroyed using a broad range of tactics including militancy.

Deep Green Resistance - Wikipedia

Deep Green Resistance DGR is a radical environmental movement dedicated to stopping the murder of the planet. Our allegiance is to the land. We reject false technological "solutions" and recognize that industrial civilization is incompatible with life on this planet.

Deep Green Resistance | Revolutionary Political Organization

Excerpted from Chapter 6 of the book *Deep Green Resistance: Strategy to Save The Planet Now*, when I talk about a resistance, I am talking about an organized political resistance. I'm not just talking about something that comes and something that goes. I'm not talking about a feeling.

Strategic Resistance | Deep Green Resistance

Deep Green Resistance. DGR is a political movement for liberation and revolution. We aim for nothing less than total liberation from extractive economics, white supremacy, patriarchy, colonialism, industrialism, and the culture of empire that we call civilization. This is a war for survival, and we're losing. We aim to turn the tide. We mean to win.

Deep Green Resistance | Revolutionary Political Organization

Deep Green Resistance evaluates strategic options for resistance, from nonviolence to guerrilla warfare, and the conditions required for those options to be successful. It provides an exploration of organizational structures, recruitment, security, and target selection for both aboveground and underground action*.

Reprisals | Deep Green Resistance Book

Our strategy is laid out in the Deep
 Green Resistance book. Much of it will be
 familiar to you: educate, recruit, build a
 movement and alternative institutions,
 and exert political pressure through
 campaigns. This is how political change
 happens. Some elements of our
 strategy, however, are very different.

Decisive Ecological Warfare | Deep Green Resistance

The strategy of Deep Green Resistance
 (DGR) starts by acknowledging the dire
 circumstances that industrial civilization
 has created for life on this planet. The
 goal of DGR is to deprive the rich of their
 ability to steal from the poor and the
 powerful of their ability to destroy the
 planet.

 One is that the depletion of finite
 resources, along with the dead-ending of
 that pyramid scheme called industrial
 capitalism, will provoke a cascading
 industrial and economic collapse.
