The Vaule Of Child And

All children need to know that they are valued. Valued for being who they are, not for what they can achieve. So how can you let your child know that you value her or him? Do emphasise their good points. Even if they are far from being top of the class at school and good at sports, they are individuals in their own right and have many other good points.

How to value your child - Care for the Family

Biologically, a child is a human being between the stages of birth and puberty, or between the developmental period of infancy and puberty. The legal definition of child generally refers to a minor, otherwise known as a person younger than the age of majority. Child may also describe a relationship with a parent or, metaphorically, an authority figure, or signify group membership in a clan, tribe, or religion; it can also signify being strongly

affected by a specific time, place, or circumstance

Child - Wikipedia

Children's literature promotes the development of students' internal imaginations. Children's literature is of value because it fosters personality and social development. Children are very impressionable during the formative years, and children's literature can help them develop into caring, intelligent, and friendly people.
