Challenging behaviours. Persistently behaving in a challenging way is often how children communicate that something is wrong - or is a sign that they may be in distress. Many children go through phases when they don't behave. Often this is nothing to worry about, and most children will move out of this phase as school staff and parents help them settle into school routines.

### **Challenging behaviours : Mentally Healthy Schools**

children exhibit disruptive and challenging behaviours provide an understanding of how their negotiation of this challenging context impacts on the relationships they form with the children. The findings suggest that teachers experience confusion due to the complexities and contradictions they are faced with when

### **Our School | inclusion**

Boredom: challenging behaviour may arise if the student feels bored in class and with their work. Moreover, an unrecognised talent may also result in the behaviour, as students struggle to stay on track with something they already know how to do. Lack of routine: a lack of routine, often in the their home environment, can also create challenging behaviour. For example, late bedtimes and not enough sleep, insufficient support, and no behavioural boundaries.
