The Frontiers Saga Episodes 1 3

Despite some predictability, I enjoyed the first three episodes of The Frontiers Saga. I look forward to the continuing story of Nathan Scott and the crew of the good ship Aurora. I know from the few other reviews that I skimmed, not everyone was pleased with how the military personnel in Ryk Brown's story acted and reacted to each other and to the twists and turns fate has brought to them.

The frontier saga is still quite readable if you can stomach a predictable plot and generic characters with no depths. Personaly I don't regret buying or reading the 3 first episodes of the saga, it's well written and for all its fault , not boring, but I'll probably skip the rest of the serie.
