 country not to have corruption .

Elements or Characteristics of Effectiveness

Characterization Definition.

Characterization is a literary device that is used step-by-step in literature to highlight and explain the details about a character in a story. It is in the initial stage in which the writer introduces the character with noticeable emergence. After introducing the character, the writer often talks about his behavior; then, as the story progresses, the thought-processes of the character.

Characterization - Examples and Definition

The characteristics of an effective law include: fairness, time access and value/right recognition.

Elements or Characteristics of Effectiveness

Direct characterization explicitly tells the

reader what a character's qualities are. Indirect characterization uses five different methods that combine different elements to reveal a character's personality. To remember these five elements, simply remember the acronym STEAL, which stands for speech, thoughts, effect on others, actions and looks.
