Persons

The Difference Between `Someone' And `Something' Oxford University Press, USA

An examination and defence of the concept of personality, long central to Western moral culture but now increasingly under attack. Robert Spaemann tackles urgent practical questions, such as our treatment of the severely disabled human and the moral status of intelligent non-human animals.

The Difference Between You and Me Penguin

"Sweet, tender, and true!" - Laurie Halse Anderson Jesse cuts her own hair with a Swiss Army knife. She wears big green fisherman's boots. She's the founding (and only) member of NOLAW, the National Organization to Liberate All Weirdos. Emily wears sweaters with faux pearl buttons. She's vice president of the student council. She has a boyfriend. These two girls have nothing in common, except the passionate "private time" they share every Tuesday afternoon. Jesse wishes their relationship could be out in the open, but Emily feels she has too much to lose. When they find themselves on opposite sides of a heated school conflict, they each have to decide what's more

important: what you believe in, or the one you love?

The Great Mystery of the Covenant of Grace

The Difference Between the Old and New Covenant Stated and Explained

John Owen concludes his excellent Preface with these words: "This worthy author has laboured, if I am not much mistaken, unto good success. And, as his design is to extricate things which seemed perplexed, to give light into the whole doctrine of the covenants, by declaring the proper order and method of things contained in them, with their respect one unto another; that the grace of God, in the Covenant of Grace, may be exalted, and his faithfulness, with his holiness, in the Covenant of Works, both in and by Jesus Christ, the end of the one, and the life of the other. So the reader will find, I hope, that satisfaction in these great and deep enquiries, which he will have occasion to return praise and thanks to God for." Mark Jones concludes his excellent New Introduction with these words: "The rewards are to be reaped from a careful study of this work. I would suggest keeping a

Bible and pencil close by since Petto is constantly making reference to the Scriptures without giving the quotation of the passage cited. But more importantly, I would suggest keeping your heart firmly fixed upon the Lord Jesus Christ as he reveals to you, by his Spirit, THE GREAT MYSTERY OF THE COVENANT OF GRACE."

It's Not Complicated

The Art and Science of Complexity in Business *University of Toronto Press*

In the new knowledge economy, traditional modes of thinking are no longer effective. Compartmentalizing problems and solutions and assuming everything can be solved with the right formula can no longer keep pace with the radical changes occurring daily in the modern business world. It's Not Complicated offers a paradigm shift for business professionals looking for simplified solutions to complex problems. In his straightforward and highly engaging style, Rick Nason introduces the principles of "complexity thinking" which empower managers to understand, correlate, and explain a diverse range of business phenomena. For example, why some new products go viral while others remain unnoticed, how office cliques develop despite collaborative work policies and spaces, how economic bubbles form, and how an unknown retiree foiled one of the most carefully planned product launches ever with a single letter to the editor of his local newspaper. Rather than consider complicated and complex as interchangeable terms, Rick Nason explains what complexity is, how it arises, and the errors in solving complex situations with complicated thinking. It's Not Complicated provides managers with fresh, counterintuitive, and

actionable models for dealing with challenging business problems.

What Is the Difference Between a Giraffe and a Mouse?

The Difference Between Us *Createspace Independent Publishing Platform*

Molly Maverick is giving up dating, relationships and men in general. She might rethink that when she meets Ezra Baptiste. He's all man when she's used to nothing but boys pretending to be grownups. So he'll need to find a different artist to paint his mural -- and a different graphic designer to help him with his website. He'll need to find someone else to glare at and flirt with and kiss. It can't be Molly - they are too different.

Government Without Politics

The Difference Between Government and Politics

The words "government" and "politicians" are used interchangeably most of the time today. This is because for most people today "government" means "politics" and "politics" means "government". Most people just cannot tell the difference between the two. But are "politics" and "government" the same thing? What are all those "isms", by which politicians justify their "powers"? How do "politicians" justify their actions and who "owns" politicians? What is "Democracy" and is the "World Government" an "ideal" or a painful necessity? Can people trust politicians and can they trust government? This book asks and answers these and other questions relating to "government" and "politics".

From Democracy to Freedom

The Difference Between Government and Self-determination

From Democracy to Freedom grew out of years of dialogue between participants in social movements around the world. Exploring how recent uprisings have been catalyzed and limited by democratic discourse, From Democracy to Freedom explores the difference between government and self-determination, proposing new ways to understand what we're doing when we make decisions together.

A Game of Thrones

A Song of Ice and Fire: Book One *Bantam*

NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.

The Difference Between Yesterday and Today

This experience is not about religion or gender, however it is about the decisions we make and the cause and effect thereof. And that is the difference between yesterday and today.

Geek Love

A Novel *Vintage*

National Book Award finalist Here is the unforgettable story of the Binewskis, a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities (with the help of amphetamine, arsenic, and radioisotopes). Their offspring include Arturo the Aquaboy, who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan . . . lphy and Elly, the lissome Siamese twins . . . albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious—and dangerous—asset. As the Binewskis take their act across the backwaters of the U.S., inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, Geek Love throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same.

The Difference Between Fichte's and Schelling's System of Philosophy

An English Translation of G. W. F. Hegel's Differenz des Fichte'schen und Schelling'schen Systems der Philosophie *SUNY Press*

In this essay, Hegel attempted to show how Fichte's Science of Knowledge was an advance from the position of Kant in the Critique of Pure Reason, and how Schelling (and incidentally Hegel himself) had made a further advance from the position of Fichte. Hegel finds the idealism of Fichte too abstractly subjective and formalistic, and he tries to show how Schelling's philosophy of nature is the remedy for these weaknesses. But the most important philosophical content of the essay is probably to be found in his general introduction to these critical efforts where he deals with a number of problems about philosophical method in a way which is of general interest to philosophers, and not merely interesting to those who accept the Hegelian "dialectic method" which grew out of these first beginnings. Finally, the Difference essay is important in the development of "Nature-Philosophy" as a movement in the history of science.

Women's Earnings: Work Patterns Partially Explain Difference Between Men's & Women's Earnings *DIANE Publishing*

New Power

How Power Works in Our Hyperconnected World--and How to Make It Work for You *Random House Canada*

From two influential and visionary thinkers comes a big idea that is changing the way movements catch fire and ideas spread in our highly connected world. For the vast majority of human history, power has been held by the few. "Old power" is closed, inaccessible, and leader-driven. Once gained, it is jealously guarded, and the powerful spend it carefully, like currency. But the technological revolution of the past two decades has made possible a new form of power, one that operates differently, like a current. "New power" is made by many; it is open, participatory, often leaderless, and peer-driven. Like water or electricity, it is most forceful when it surges. The goal with

new power is not to hoard it, but to channel it. New power is behind the rise of participatory communities like Facebook and YouTube, sharing services like Uber and Airbnb, and rapid-fire social movements like Brexit and #BlackLivesMatter. It explains the unlikely success of Barack Obama's 2008 campaign and the unlikelier victory of Donald Trump in 2016. And it gives ISIS its power to propagate its brand and distribute its violence. Even old power institutions like the Papacy, NASA, and LEGO have tapped into the strength of the crowd to stage improbable reinventions. In New Power, the business leaders/social visionaries Jeremy Heimans and Henry Timms provide the tools for using new power to successfully spread an idea or lead a movement in the twenty-first century. Drawing on examples from business, politics, and social justice, they explain the new world we live in--a world where connectivity has made change shocking and swift and a world in which everyone expects to participate.

What's the Difference?

Recreational Culinary Reference for the Curious and Confused *HarperCollins*

From the creator of the popular What's the Difference? Newsletter, a whimsical and practical reference for food nerds and novices alike, covering dozens of culinary topics, that clears up confusion over similar terms, techniques, dishes, and more. Do you know the difference between sweet potatoes and yams? Bourbon and rye? Crumbles, cobblers, and crisps? Most people don't, even a number of home cooks—which is why they turn to Brette Warshaw. Inspired by her hit newsletter What's the Difference?, this irreverent yet informative reference makes clear the differences between things that are often confused in the kitchen, on the plate, behind the bar, and everywhere in between. Featuring 70 percent new material and favorite entries from her website, What's the Difference? covers more than 100 culinary topics, including: All-purpose flour vs. bread flour vs. pastry flour Bacon vs. Pancetta vs. Speck vs. Pork Belly Creme Fraiche vs. Sour Cream Jams vs. Jellys vs. Preserves Broccolini vs broccoli vs broccoli rabe Caramel vs butterscotch vs dulce de leche vs cajeta Filled with charming illustrations What's the Difference? is essential for anyone who wants to feel more confident in the kitchen and at the table.
