Computer & IT service by PC Solutions - Jackson, MI
1 review of PC Solutions "I've bought 3 Acer laptops from PCS. There have been Windows and particularly Outlook issues with each (as with any brand/operating system) and while some savvy buyers can solve these on their own-we cannot. This is where the tech support at PCS is worth their weight in gold. Mike and his team never leave you feeling stupid nor out of the process during "rehab" sessions.
