Hostage Three by Nick Lake - Goodreads

Hostage Three is the second literary thriller by Carnegie Shortlisted Nick Lake. I must admit that I was a little apprehensive about reading this book after having read Lake's first literary thriller, In Darkness, which, although well written, was rather hard going and, at times, boring. However I really enjoyed Hostage Three.

A chilling tale of piracy in modern times. Hostage Three is a young adult novel, but is universal for all generations. I was hooked immediately. It is also a novel about how the loss of a loved one significantly impacts our actions, either positive or negative, and how our actions ripple through all our relationships.
