This is part 2 in the series of tearing these skis down for parts. Today I show you how to remove the Jet pump. Sometimes they are very hard.

Jet Ski tear down part 2 - How to remove the Jet pump ...

I have a 89' kawasaki 650sx and since I bought it have had no end to troubles. Currently the issue is how hot the pipe and block are when I take short rides and the fact there is no water (just exhaust) coming out of the pisser. Not good. I thought that perhaps it was the way that my lines were running from the pump and then from the head to the pipe and to the pisser and waterbox.

Kawasaki 650sx Not cooling, no water from pisser.
