The 9/11 attacks were a big, bad, crazy time in American history. It can be hard to wrap your head around all of the facets of that terrible day, which is probably why some people don't bother and instead invent elaborate

conspiracies wherein the Koch brothers staged the whole thing to get a discount on airfare or something.

The official story of the failed air defenses on 9/11 was changed several

times and, in the end, paradoxically exonerated the military by saying that the military had lied many times about its response. The man who was behind several of the changing accounts was a specialist in political warfare (i.e. propaganda).
