Coupland became one of my favorite living writers with this title. This book starts off hauntingly beautiful, and then is at turns funny, dark, everyday,

twisted, hopeful, hopeless; a mystery, a tragedy, a comedy, a coming-of-age tale, a critique of postmodern culture, a parable, a story of a father and his son, a celebration of life and a emotional story of loss and death.

by Douglas ...

I have been a devout reader of Douglas Coupland's work and have been disappointed with basically everything since *Microserfs*. *Hey Nostradamus!* has changed all of that. *Hey!* is a critical look

into modern fanaticism and the consequences of being a teenager in a world filled with guns, God, and video games. The novel is divided into four parts each narrated by a different character.
