Amos & Boris *Farrar, Straus and Giroux (BYR)*

Amos the mouse and Boris the whale: a devoted pair of friends with nothing at all in common, except good hearts and a willingness to help their fellow mammal. They meet after Amos sets out to sea in his homemade boat, the Rodent, and soon finds himself in extreme need of rescue. Enter Boris. But there will come a day, long after Boris has gone back to a life of whaling about and Amos has gone back to his life of mousing around, when the tiny mouse must find a way to rescue the great whale. The tender yet comical story of this friendship is recorded in text and pictures that are a model of rich simplicity. Here, with apparent ease and concealed virtuosity, Caldecott medalist William Steig brings two winning heroes to life. *Amos & Boris* is a 1971 New York Times Book Review Best Illustrated Book of the Year, Notable Children's Book of the Year, and Outstanding Book of the Year.

Ordinary Wolves

A Novel *Milkweed Editions*

Eskimo and white culture collide in this national bestselling novel of life in the contemporary Alaskan wilderness: "A magnificently realized story" (New York Times Book Review). *Ordinary Wolves* depicts a life different from what any of us has known: Inhuman cold, the taste of rancid salmon shared with shivering sled dogs, hunkering in a sod igloo while blizzards moan overhead. But this is the only world Cutuk Hawcley has ever known. Born and raised in the Arctic, he has learned to provide for himself by hunting, fishing, and trading. And yet, though he idolizes the indigenous hunters who have taught him how to survive, when he travels to the nearby Inupiaq village, he is jeered and pummeled by the native children for being white. When Cutuk ventures into the society of his own people, two incompatible realities collide, perfectly capturing "the contrast between the wild world and our ravaging consumer culture". In a powerful coming of age story, a young man isolated by his past must choose between two worlds, both seemingly bent on rejecting him (Louise Erdrich). Winner of the Milkweed National Fiction Prize "As a revelation of the devastation modern America brings to a natural lifestyle, it's a tour de force and may be the best treatment of the Northwest and its people since Jack London's works."—Publishers Weekly, starred review
