American architects is fully illustrated and appraised.

200 Years of American Architectural Drawing - The ...

American colonial architecture is a mixture of styles, developed during the Colonial Era of America. From the late 16th century until the beginning of the 19th century, people who came to settle in the New World brought with them construction techniques and architectural styles from their motherlands. Among them were English, Dutch, French, and Spanish [...]

American colonial architecture - a mixture of styles ...

The American

Centennial celebrations of 1876 brought about a nostalgia for the country's past, including its early house styles. But rather than copy those houses directly, architects like McKim, Mead, and White mixed and matched details from several early styles, including Dutch Colonial, Georgian, and Federal.
