Care of Older People: Subject Guide - Royal

College of Nursing
Caring for older adults is far more complex than the majority of today's nurses and other healthcare providers ever learned in school, and than the majority of faculty in any schools of nursing are prepared to teach their students. In fact, lack of knowledge about care of older adults among the teachers, students and

working graduates of nursing programs results in inadequate assessment skills--skills that are the foundation of good geriatric care---and ultimately in missed or erroneous ...
