The Disaster Recovery Playbook for Construction Projects. In the chaos that ensues when a disaster affects your area, it's easy to grow overwhelmed. That's why we wanted to produce this Disaster Recovery Playbook. Helping construction companies get paid the money they've earned is what we do best, and it just so happens that managing payments (both getting paid and making payments) is one of the trickiest issues

following a natural disaster for everyone involved in the recovery.

The Disaster Recovery Playbook for Construction Projects ...

Template. When disaster strikes, business suffers. A goal of business planning is to mitigate disruption of product and services delivery to the greatest degree possible when disruption due to disaster occurs. Business continuity is the overarching concern. An IT disaster recovery plan is the lynchpin of an overall business continuity strategy. And the purpose of business continuity is to maintain a minimum level of service while restoring the organization to

business as usual.
