A Novel *Oceanview Publishing*

USA Today best-selling author It's official: stumbling, bumbling James Lessor and Skip Moore are licensed

private investigators. Now, that's some scary stuff. It could take time to get Moore or Less investigations off the ground, so James takes a job with a traveling carnival show. But this show has a dubious reputation, having had a string of accidents and at least one death in the past year. When they're hired to investigate what's caused the carnival chaos, James and Skip set into motion a dizzying, roller coaster chain of events. After a terrifying trip on the Dragon Tail ride, a not-so-fun dust-up in Freddy's Fun House, and a host of threats, James and Skip realize they'll get anything but cooperation from this cantankerous cast of carnies. But when a carnival worker is murdered, James and Skip will have to act fast—because they might be next in line. For James and Skip, the only thing sweeter than the smell of corn dogs and fried dough will be the sweet smell of success—but in this case, success means getting out alive. This investigation is going completely off the rails.

The Road to Sparta

Reliving the Ancient Battle and Epic Run That Inspired the World's Greatest Footrace *Rodale Books*

The Road to Sparta is the story of the 153-mile run from Athens to Sparta that inspired the marathon and saved democracy, as told—and experienced—by ultramarathoner and New York Times bestselling author Dean Karnazes. In 490 BCE, Pheidippides ran for 36 hours straight from Athens to Sparta to seek help in defending Athens from a Persian invasion in the Battle of Marathon. In doing so, he saved the development of Western civilization and

inspired the birth of the marathon as we know it. Even now, some 2,500 years later, that run stands enduringly as one of greatest physical accomplishments in the history of mankind. Karnazes personally honors Pheidippides and his own Greek heritage by recreating this ancient journey in modern times. Karnazes even abstains from contemporary endurance nutrition like sports drinks and energy gels and only eats what was available in 490 BCE, such as figs, olives, and cured meats. Through vivid details and internal dialogs, *The Road to Sparta* offers a rare glimpse into the mindset and motivation of an extreme athlete during his most difficult and personal challenge to date. This story is sure to captivate and inspire—whether you run great distances or not at all.

Your Life Isn't for You

A Selfish Person's Guide to Being Selfless *Berrett-Koehler Publishers*

Give Your Life to Live Your Life In this book, Seth Adam Smith expands on the philosophy behind his extraordinarily popular blog post “Marriage Isn't for You”—which received over 30 million hits and has been translated into over twenty languages—and shares how living for others can enrich every aspect of your life, just as it has his. With a mix of humor, candor, and compassion, he reveals how, years before his marriage, his self-obsession led to a downward spiral of addiction and depression, culminating in a suicide attempt at the age of twenty. Reflecting on the love and support he experienced in the aftermath, as well as on the lessons he learned from a difficult missionary stint in Russia, his time as a youth leader in the Arizona desert, his marriage, and even a story his father read to him as a child, he shares his deep conviction that the only way you can find your life is to give it away to others. *Your Life Isn't For You* was recently named the Gold Medalist for Inspirational Memoir in the 2015 Living Now Book Awards!
