Days Like This continues Rob and Casey's story in their first years of marriage with the addition of a Rob's surprise teenage daughter to add drama to the mix. I'm really glad Breton didn't go down the path of the story being all about Paige resisting her new parents and overcoming it.

The Jackson Falls are beautiful. When we went it was hot so they were crowded and people were swimming in the river. Parking is difficult around here so I would go early or later in the day. Be careful climbing in the rocks if you choose to. Read more. Date of experience: August 2020.

The Jackson Falls area is by far my favorite area of Shawnee
National Forest. We have been there several times to primitive
camp and hike. The trails are beautiful and the rock formations
are amazing. It's a great place to 'get away' and reconnect with
the ones you love.
