We use research proposals to match you with your supervisor or supervisor team. You can contact one of our Research Leads or an academic whose work you are interested in to discuss your proposal. If you are interested in the work of a specific academic at York St John University you should mention this in your proposal.

Examples of Research proposals | York St John University

The purpose of a research proposal is for it to be approved. Only then can you start writing. A lot of misunderstanding swirls around research proposals. One foundational fact cuts through it: A research proposal has no independent existence. It's a provisional document, a way station to an eventual goal. A research proposal is not an essay.

How to prepare a research proposal - Durham University

Applicants must submit a detailed research proposal. The full proposal, preferably between 1,000 and 1,500 words, should include at least the following elements: a clear description of the proposed thesis topic, indicating the research problem and expected scope of the investigation;
