lathe I like and which does the things I
want to do. A bargain is only a bargain if

you wanted it in the first place.... On that
note, the early L5's do look a bit, well,
prehistoric. You should certainly look up
the machine on the lathes.co.uk if you
haven't already. Perhaps the best advice
is to take a friend who has some
experience of older lathes to look over it
for you. Also, look around ...
