H. Kaelble, in International Encyclopedia of the Social & Behavioral Sciences, 2001. 1 General Questions. Social mobility was one of the important themes of social history during its beginnings in the 1960s and the 1970s. Historians explore social mobility for two reasons. First, they want to study the general question of the history of equality of social opportunities.

Social History Eric Evans. Social history in the early 21st century seems to be experiencing something of an identity crisis. This may seem surprising. During the second half of the 20th century it established a dominant position in research and an increasingly influential one in undergraduate teaching. Social history flourished on its eclecticism.
