Operations Handover Procedure

Handover To Operations Guidelines University Of Leeds

Project handover is a process of transition, not a date, and should not only be initiated once a project is completed or approaching completion. This article focuses on project handover of large scale, complex industrial projects to operations teams. However, the complexity and number of activities and deliverables are huge and cannot be covered in detail in an article of this

nature.

Effective Handover of Projects to Operations Teams ...

Understanding that handover is a transition period rather than a date is paramount to smooth the change curve and close the gap between project phase and operational/business as usual. Understanding the need to transfer knowledge and train those who will be 'handed' the project is essential.
