LSE's Department of International History teaches and conducts research on the international history of Britain, Europe and the world from the early modern era up to the present day.

Introduction. About us. Undergraduate programmes BA History and BSc International Relations and History.

Department of International History

International history has always existed in a complex web of relationships with cognate disciplines like international relations and sub-disciplines such as military or imperial history and its borders have thus not always been readily apparent. Moreover, its sovereignty over the terrain of the international is today additionally threatened as other historians, literary and cultural scholars and social scientists in myriad disciplines make their own postcolonial, transnational and ...

History and International Relations. 1. To some extent, history has always been a core feature of the international imagination. On both sides of the Atlantic, leading figures in the discipline such as E.H. Carr, Hans Morgenthau, Martin Wight, Hedley Bull and Stanley Hoffman have all employed history as a means of illuminating their research.

(PDF) History and International Relations

Based on the history of Operations Research, it is believed that Charles Babbage (1791-1871) is the father of Operational Research due to the fact that his research into the cost of transportation and sorting of mail resulted in England's universal Penny Post in 1840. The name operations research evolved in the year 1940.

Brief History of Operations Research

The International Rice Research Institute is an international agricultural research and training organization with headquarters in Los Baños, Laguna in the Philippines and offices in seventeen countries with ~1,300 staff. IRRI is known for its work in developing rice varieties that contributed to the Green Revolution in the 1960s which preempted the famine in Asia. The Institute, established in 1960 aims to reduce poverty and hunger, improve the health of rice farmers and consumers, and ...
