Leading and Loving It *FaithWords*

Being a woman in ministry, whether you are partnering with your husband in his

calling or serving in your own leadership role, is challenging. While serving as mentors, counselors, advisors, and even cheerleaders, women carry numerous responsibilities. Lori Wilhite and Brandi Wilson know about this first-hand as the wives of two well-known pastors in America. Everyone has an image in their mind of what they think a pastor's wife should be. The trouble with this picture is that it has never been and never will be accurate. Ministry wives and female ministry leaders face the same real-life struggles as their church members, but have the added stress of sharing in everyone's burdens as well. They are held to impossible standards

by those they serve, and the more this ideal of women in leadership is expected, the more we turn up the intensity in the pressure cooker that is life in ministry. In **LEADING AND LOVING IT**, Lori Wilhite and Brandi Wilson offer a support system to help women make connections to get the encouragement that sustains them and become equipped for the ministry God has called them to pursue. They give readers tools for understanding that external pressures and expectations are only important if they fall in line with what God intends for your life and ministry and they give answers for how to deal with criticism, isolation, finding your personal calling, and what happens when

you reach a place of burn-out, and more.

T. H. Elkman *Simon and Schuster*

1800's American West—a place where men find themselves in harsh and cruel circumstances and where lives are short lived. Where women are hard as the steel of a gun, and the sweet burn of whiskey eases the rough, ratted edges. Where death is a pill that must be swallowed, and senses are developed beyond true human comprehension . . . Honest work on the frontier was sometimes hard to acquire. Traveling independently on the expansive road through the west, cowboy and westerner Tomas H. Elkman is a man of the times. To

ease the loneliness of the trail while searching for gainful employment, Elkman warily teams up with a fight-prone, good-timing gambler by the name of Jefferson McGredy. This strange pairing of men is hired to deliver an assemblage of horses to a ranch in the untamed northern territory. The rancher sends his young son, Kent Martin, to accompany the horsemen on their travels through mountains and rivers, across primitive landscapes, and into remnants of mining boomtowns. The journey becomes a constant challenge to their moral fiber as they face the overwhelming hardships of hostile weather, rustlers, and

natives . . . T. H. Elkman is a story of frontier grit, moral simplicity, individuality and consequential violence in the American West. Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West. Westerns—books about outlaws, sheriffs, chiefs and warriors, cowboys and Indians—are a genre in which we publish regularly. Our list includes international bestselling authors like Zane Gray and Louis L'Amour, and many more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes

overlooked and to authors whose work might not otherwise find a home.

The Place My Words Are Looking For

Simon and Schuster

Thirty-nine United States poets share their poems, inspirations, thoughts, anecdotes, and memories.

The Water and the Blood *Harper Collins*

I turned and faced the road we'd come down, my face hard and set. The kids moved on without me. I could still see a slight glow and the murky, gray smoke reaching above the trees, where it spread to the south.... When I thought they were out of earshot, I took a deep breath. "You lied to me," I whispered toward the building, to

all the people it represented, to the hours I'd spent on those hard, split-log seats, and to my childish epiphanies born there "You lied," I said. "These are my best friends now." Rare is the gift of a writer who is able to conjure up the voices of very different worlds, to give them heat and power and make them sing. Such is the talent of Nancy E. Turner. Her beloved first novel, *These Is My Words*, opened readers to the challenges of a woman's life in the nineteenth-century Southwest. Now this extraordinary writer shifts her gaze to a very different world -- East Texas in the years of the Second World War -- and to the life of a young woman named Philadelphia Summers,

known against her will as Frosty. From the novel's harrowing opening scene, Frosty's eyes survey the landscape around her -- white rural America -- with the awestruck clarity of an innocent burned by sin. In her mother and sisters she sees fear and small-mindedness; in the eyes of local boys she sees racial hatred and hunger for war. When that war finally comes, it offers her a chance for escape -- to California, and the caring arms of Gordon Benally a Native-American soldier. But when she returns to Texas she must face the rejection of a town still gripped by suspicion -- and confront the memory of the crime that has marked her soul since adolescence. Propelled

by the quiet power of one woman's voice, *The Water and the Blood* is a moving and unforgettable portrait of an America of haunted women and dangerous fools -- an America at once long perished and with us still.

These is my Words
Harper Perennial

A moving, exciting, and heartfelt American saga inspired by the author's own family memoirs, these words belong to Sarah Prine, a woman of spirit and fire who forges a full and remarkable existence in a harsh, unfamiliar frontier. Scrupulously recording her steps down the path Providence has set her upon—from child to determined young adult to loving mother—she shares

the turbulent events, both joyous and tragic, that molded her, and recalls the enduring love with cavalry officer Captain Jack Elliot that gave her strength and purpose. Rich in authentic everyday details and alive with truly unforgettable characters, *These Is My Words* brilliantly brings a vanished world to breathtaking life again.

Hello, My Name Is Awesome *Berrett-Koehler Publishers*

Every year, 6 million companies and more than 100,000 products are launched. They all need an awesome name, but many (such as Xobni, Svbtle, and Doostang) look like the results of a drunken Scrabble game. In this entertaining and engaging book, ace

naming consultant Alexandra Watkins explains how anyone—even noncreative types—can create memorable and buzz-worthy brand names. No degree in linguistics required. The heart of the book is Watkins's proven SMILE and SCRATCH Test—two acronyms for what makes or breaks a name. She also provides up-to-date advice, like how to make sure that Siri spells your name correctly and how to nab an available domain name. And you'll see dozens of examples—the good, the bad, and the “so bad she gave them an award.” Alexandra Watkins is not afraid to name names.

Chronicles from the Land of the Happiest

People on Earth *Vintage*

A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • The first Black winner of the Nobel Prize in Literature gives us a tour de force, combining “elements of a murder mystery, a searing political satire and an Alice in Wonderland-like modern allegory of power and deceit” (Los Angeles Times). In an imaginary Nigeria, a cunning entrepreneur is selling body parts stolen from Dr. Menka's hospital for use in ritualistic practices. Dr. Menka shares the grisly news with his oldest college friend, bon viveur, star engineer, and Yoruba royal, Duyole Pitan-Payne. The life of every party, Duyole is about to assume a

prestigious post at the United Nations in New York, but it now seems that someone is determined that he not make it there. And neither Dr. Menka nor Duyole knows why, or how close the enemy is, or how powerful. Chronicles from the Land of the Happiest People on Earth is at once a literary hoot, a crafty whodunit, and a scathing indictment of political and social corruption. It is a stirring call to arms against the abuse of power from one of our fiercest political activists, who also happens to be a global literary giant.

The Chapel Catapult

Recently widowed, unhappily stuck on a pricey whiplash tour of Italy, Elizabeth Berman comes face to face

with the first documented painting of a teardrop in human history, and in the presence of that tearful mother, and the arresting company of the renowned and anonymous women painted by Giotto in the Arena Chapel, she wakes up to the possibility that she is not lost. Mitchell left me everything, just as he promised. "Everything," he liked to say during his last month on the sofa, "everything will be yours," as if it wasn't yet. I was left with that and two adult children who could not tolerate my sitting in my home by myself—admittedly, rather too often in a capacious pink flannel nightgown and the green cardigan Mitchell was wearing on the afternoon he died.

That's how Elizabeth winds up on a tour better suited to her late-husband, a Dante scholar. Mitchell masterminded the itinerary as a surprise for their thirty-fifth wedding anniversary. Itching to leave as soon as she arrives in Padua, Elizabeth's efforts to book a ticket home are stymied by her aggressively supportive children, the ministrations of an incomprehensibly Italian hotel staff, and the prospect of forfeiting the sizable

The Things We

Cannot Say *Harlequin*

Now a New York Times bestseller! From the author of *Truths I Never Told You, Before I Let You Go*, and *The Warsaw Orphan*, Kelly Rimmer's powerful WWII novel follows a woman's urgent search for answers to a family mystery that uncovers truths about herself that she never expected. "Kelly Rimmer has outdone herself. I thought that *Before I Let You Go* was one of the best novels I had ever read...If you only have time to read one book this year *The Things We Cannot Say* should be that book. Keep tissues handy."—*Fresh Fiction* "Fans of *The Nightingale* and *Lilac Girls* will adore *The Things We Cannot Say*." —Pam Jenoff,

New York Times bestselling author In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the Russian refugee camp she calls home, a young woman speaks her wedding vows. It's a decision that will alter her destiny...and it's a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina's tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents' farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. *The Things We Cannot Say* is an unshakable reminder of the

devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Don't miss Kelly Rimmer's latest gripping novel, *The German Wife*. For more by Kelly Rimmer, look for *Before I Let You Go* *Truths I Never Told You* *The Warsaw Orphan*

Fifty Words for Rain
Penguin

A Good Morning America Book Club Pick and New York Times Bestseller! From debut author Asha Lemmie, "a lovely, heartrending story about love and loss, prejudice and pain, and the sometimes dangerous, always durable ties that link a family together." —Kristin Hannah, #1 New York Times–bestselling author of *The*

Nightingale Kyoto, Japan, 1948. "Do not question. Do not fight. Do not resist." Such is eight-year-old Noriko "Nori" Kamiza's first lesson. She will not question why her mother abandoned her with only these final words. She will not fight her confinement to the attic of her grandparents' imperial estate. And she will not resist the scalding chemical baths she receives daily to lighten her skin. The child of a married Japanese aristocrat and her African American GI lover, Nori is an outsider from birth. Her grandparents take her in, only to conceal her, fearful of a stain on the royal pedigree that they are desperate to uphold in a changing Japan. Obedient to a fault, Nori accepts her

solitary life, despite her natural intellect and curiosity. But when chance brings her older half-brother, Akira, to the estate that is his inheritance and destiny, Nori finds in him an unlikely ally with whom she forms a powerful bond—a bond their formidable grandparents cannot allow and that will irrevocably change the lives they were always meant to lead. Because now that Nori has glimpsed a world in which perhaps there is a place for her after all, she is ready to fight to be a part of it—a battle that just might cost her everything. Spanning decades and continents, *Fifty Words for Rain* is a dazzling epic about the ties that bind, the ties that give you strength, and what it means to be free.

Lessons in Chemistry *Doubleday Canada*

A delight for readers of *Where'd You Go, Bernadette*, this blockbuster debut set in 1960s California features the singular voice of Elizabeth Zott, a scientist whose career takes a detour when she becomes the star of a beloved TV cooking show. Elizabeth Zott is not your average woman. In fact Elizabeth Zott would be the first to point out that there is no such thing as an average woman. But it's the 1960s and despite the fact that she is a scientist, her peers are very unscientific when it comes to equality. The only good thing to happen to her on the road to professional fulfillment is a run-in

with her super-star colleague Calvin Evans (well, she stole his beakers). The only man who ever treated her—and her ideas—as equal, Calvin is already a legend and Nobel nominee. He's also awkward, kind and tenacious. Theirs is true chemistry. But as events are never as predictable as chemical reactions, three years later Elizabeth Zott is an unwed, single mother (did we mention it's the early 60s?) and the star of America's most beloved cooking show *Supper at Six*. Elizabeth's singular approach to cooking ("take one pint of H₂O and add a pinch of sodium chloride") and independent example are proving revolutionary. Because Elizabeth isn't just

teaching women how to cook, she's teaching them how to change the status quo. Laugh-out-loud funny, shrewdly observant and studded with a dazzling cast of supporting characters (including the best canine character in years), *Lessons in Chemistry* is as original and vibrant as its protagonist.

Fluent Forever *Harmony*

NATIONAL BESTSELLER

- For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar*

Zero At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will

enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.
