Principles of Management 08 edition (9780073530123 ...

While the four management functions (planning, leading, organizing, and controlling) provide the text's skeleton, Principles of Management is animated by the interesting, relevant, and current examples, cases, and exercises that ultimately bring the theory behind those four key functions to life. The end result is a friendly, accessible text grounded in contemporary theories and models that teaches the universal applicability of the four functions of management while remaining directly ...
