Voice Disorders and their Management. Usually dispatched within 3 to 5 business days. Since this book was first published, four years ago, there has been a considerable upsurge of interest in the field of both normal and abnormal voice production. Tangible evidence of this lies in the publication of the Journal of Voice in the United States, and in the UK the formation of the British Voice Association.

Voice Disorders and their Management | Margaret Fawcus ...

There still remains, however, little research into the management of voice disorders. There is clearly a need for more efficacy studies into specific treatment methods, and the single case-study designs developed in the field of aphasia would seem to be appropriate here.
