Called to Life Scepter Publishers

How do I find fulfillment in life? How do I obtain happiness? Despite a multitude of self-help books in recent years, these eternal questions have become increasingly urgent in today's directionless world. Author Jacques Philippe provides some answers. In his new book, Called to Life, he explains that a complete and fulfilled life is much more assured when we stop trying to chart our own course, when we realize that we are essentially creatures called by God. He goes on to describe where and how these calls take place: the events of life, the Word of God in Scripture, and interior motions of the Holy Spirit. Learning to recognize and follow these calls is what leads to a happy and full life. Called to Life includes a special section on how to read Sacred Scripture prayerfully (Lectio Divina), making this a timely source of inspiration and guidance following up on the recommendations of Pope Benedict XVI and the 2008 Synod of Bishops on the Word of God.

Time for God Scepter Publishers

Many people today are thirsty for God and feel a desire for an intense, personal prayer life that is deep and ongoing. But they encounter obstacles that prevent them from following the path seriously, and especially from persevering on it. Time for God was written with these desires and difficulties in mind. In Time for God, author Jacques Philippe mainly concentrates on mental prayer: prayer that consists of facing God in solitude and silence for a time in order to enter into intimate, loving communion with him. Practicing this kind of prayer regularly is considered by all spiritual masters to be

an indispensable path that gives access to genuine Christian life—a path to knowing and loving God that empowers us to respond to his call to holiness addressed to each individual. Philippe draws on years of experience as a spiritual guide to illuminate the fundamental principles of mental prayer and describes some common mistakes and misconceptions that can lead it astray. With simplicity and clarity he explains the foundational principles for a healthy prayer life and gives advice for overcoming the various obstacles that arise when one sets off on the path of interior prayer.

The Way of Trust and Love

A Retreat Guide by St. Thérèse of Lisieux Scepter Publishers

St. Thérèse of Lisieux sought a new way to Heaven: “a little way that is quite straight, quite short: a completely new little way.” Blessed with personal limitations that might have discouraged another, Thérèse believed God would not have given her a desire for holiness if He did not intend for her to achieve it. She learned to humbly accept herself as she was and trust completely in God’s love. First given as a retreat by renowned author Father Jacques Philippe, The Way of Trust and Love navigates excerpts of St. Thérèse’s writings phrase by phrase, extracting powerful, resonating insights. To Thérèse, the journey seemed “little” as she traveled it. A hundred and fifteen years after her death, the message of the young saint and Doctor of the Church has traveled around the world inspiring millions. With this newly translated study of her spirituality, many today will rediscover—or find for the first time—the relevance of “the little way,” in all seasons of life. Fr. Jacques Philippe is well-known for his books on prayer and spirituality. A member of the Community of the Beatitudes, he regularly preaches retreats in France and abroad. He also spends much of his time giving spiritual direction and working for the development of the Community in Asia and Oceania where he travels frequently. View Fr. Jacques Philippe's website and App (www.frjacquesphilippe.com)

Thirsting for Prayer Scepter Publishers

"What the world most needs today is prayer. It is prayer that will give birth to all the renewals, healings, deep and fruitful transformations we all want for society today.... I am more and more convinced that everything comes from prayer and that, among the calls of the Spirit, this is the first and most urgent one we should respond to." Many have already benefited from Fr. Jacques’ best-selling book on prayer, Time for God. In Thirsting for Prayer, Fr. Jacques revisits some of the themes covered in that book and develops new insights that are both profound and practical. These reflections guide us with simplicity on the path to intimacy with God, helping us to develop an actual taste for personal prayer. This "school of prayer" opens us up to the encounter with God that transforms us from within. View Fr. Jacques Philippe's website and App (www.frjacquesphilippe.com)

Searching for and Maintaining Peace

A Small Treatise on Peace of Heart Saint Pauls/Alba House

We live in a day and age characterized by an extraordinary amount of agitation and lack of peace. This tendency manifests itself in our spiritual as well as our secular life. In our search for God and holiness, in our service to our neighbor, a kind of restlessness and anxiety take the place of the confidence and peace which ought to be ours. What must we do to overcome the moments of fear and distress which assail us all too often in our lives? How can we learn to place all our confidence in God and abandon ourselves into his loving care? This is what is taught in this simple, yet profound little treatise on peace of heart. Taking concrete examples from our everyday life, the author invites us to respond in a Gospel fashion to the upsetting situations we must all confront. Since peace of heart is a pure gift of God, it is something we should seek, pursue and ask him for without cease. This book is here to help us in that pursuit.

Real Mercy

Scepter Publishers

In Real Mercy, Father Jacques Philippe turns his focus on mercy in this book that developed from talks given on the first three days of the Year of Mercy beginning Dec. 8, 2015. On that feast day of the Immaculate Conception, he explored how Mary, the Mother of Jesus, is an exemplar of mercy to the Church and the entire world. In a discreet but vital way she dispenses graces and favors with the compassion of a mother. His second essay on forgiveness in families hits home with everyone. No one has escaped the ill feeling and bitterness caused by strife and misunderstanding within the family, and yet the same family is intended to be the path for both earthly and eternal happiness. The author brings to light vivid examples of how lack of forgiveness causes severe damage while forgiveness heals and restores broken relationships. Finally, he uses the writings of St. Therese of Lisieux to show how trust in God’s mercy leads to extraordinary supernatural effects in one’s life and in the lives of those one touches.

Priestly Fatherhood

Treasure in Earthen Vessels Scepter Publishers

Recognizing the strong and gentle fatherhood which our Heavenly Father bestows on us lovingly and daily indefinitely changes the scope of our spiritual lives. Amidst the crisis of fatherhood in today's society, it is imperative, more than ever, that all men—especially priests—be images of this unfalteringly generous fatherhood of God. What does true fatherhood consist of? How can true fatherhood help a person gain access to the freedom found through the knowledge of his or her identity as a child of God? While answering these questions, Fr. Jacques also presents the spiritual path which allows a priest to guard himself against possible shortcomings and ambiguities as he strives to live out his priestly fatherhood, the gift received by him in ordination. This book will not only be of interest to priests, but will also help all those who are called to exercise a certain paternity in the

Church or in society: fathers of families, spiritual fathers, educators, and leaders.

Everyday Holiness

The Jewish Spiritual Path of Mussar *Shambhala Publications*

Mussar is an illuminating, approachable, and highly practical set of teachings for cultivating personal growth and spiritual realization in the midst of day-to-day life. Our work in life is to uncover the brilliant light of the soul. The Mussar masters developed transformative teachings and practices—some of which are contemplative, some of which focus on how we relate to others in daily life—to help us to heal and refine ourselves. The Heart of Perfection

How the Saints Taught Me to Trade My Dream of Perfect for God's *Howard Books*

Winner of the 2020 Catholic Press Association Book Award In a book hailed as “liberating” (Gary Chapman, New York Times bestselling author), an award-winning author and mother of four weaves her own stories and struggles with those of seven ex-perfectionist saints (and one heretic) who show us how to pursue a new kind of perfection: freedom in Christ. Spiritual perfectionism—an obsession with flawlessness rooted in the belief that we can earn God’s love—is dangerous because so many of us mistake it for virtue. Its toxic cycle of pride, sin, shame, blame, and despair distorts our vision, dulls our faith, and leads us to view others through the same hypercritical lens we think God is using to view us. As a lifelong overachiever who drafted her first résumé in sixth grade and spell-checked her high school boyfriend’s love letters, Colleen Carroll Campbell knows something about the

perfectionist trap. But it was only after she became a mother that she started to see how insidiously perfectionism had infected her spiritual life, how lethal it could be to her happiness and her family, and how disproportionately it afflicts the people working hardest to serve God. In the ruins of her own mistakes, Colleen dug into Scripture and the lives of the canonized saints for answers. She discovered to her surprise that many holy men and women were, in fact, recovering perfectionists. And their grace-fueled victory oer this malady—not perfectionist striving—was the key to their heroic virtue and contagious joy. In The Heart of Perfection, Colleen weaves the stories and wisdom of seven ex-perfectionist saints (and one heretic) with Scripture and beautifully crafted tales of her own trial-and-error experiments in applying that wisdom to her life. Gorgeously written and deeply insightful, Colleen Carroll Campbell's The Heart of Perfection is a “must-read” (Jeannie Gaffigan, executive producer of The Jim Gaffigan Show) that “gives us permission to...walk in the freedom of God’s unconditional love” (Jennifer Fulwiler, author of One Beautiful Dream). An Illustrated History McFarland

This book gives the reader a straightforward and continuous survey of the history of the French Foreign Legion. By outlining the Legion’s vicissitudes, victorious campaigns, epic marches, heroic and sometimes hopeless stands, dirtiest combats and dramatic defeats, but also by briefly placing the Legion back in the historical background of France, and by describing its development, organization, uniforms, equipments and weapons, the author hopes to dispel myths, and try to give a true and accurate picture of what the French Foreign Legion has been from 1831 until today. There are well-researched, detailed line drawings throughout.

The Dogma of Hell

Illustrated by Facts Taken from Profane and Sacred History TAN Books

This TAN Books edition of “The Dogma of Hell ” by Rev. Fr. F. X. Schouppe, S.J., features the complete original text, along with a supplemental reading section entitled “What Will Hell Be Like?”. We’ve also included unique hand-selected classic artwork for the reader’s enjoyment, exclusive to this eBook edition of “The Dogma of Hell ”. The Dogma of Hell: The Dogma of Hell explores the basic Catholic doctrine on Hell, purposefully awakening in the reader a profound realization of its reality and eternity of horrors. Eminent French theologian Fr F X Schouppe, SJ, author of Purgatory Explained by the Lives and Legends of the Saints, has written here a similar but much smaller book. In short chapters, he has recounted numerous true stories, apparitions of the damned, and complete Catholic teaching on Hell. He clearly shows that for those who are not motivated to do good out of love of God, the fear of Hell is a legitimate and often salutary motive for avoiding sin. Although the subject matter is frightening, the ultimate purpose of this book is not to frighten souls, but to help them avoid damnation by reminding them of the pain and suffering in an eternity spent in the absence of God. What Will Hell Be Like?: Selections from St. Alphonsus' writings. Covers virtually every aspect of Hell. Shows it exists, describes its torments, proves it is eternal, demonstrates it is not unjust and answers a host of questions. Best short antidote for today's irreligion that we know.

Family Guide to Spiritual Warfare

Strategies for Deliverance and Healing Sophia Institute Press

Demons wage war against families because families are vital to God’s plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off-limits to demonic activity. In A Family Guide to Spiritual Warfare, Kathleen Beckman offers you potent advice from her 12 years of active participation on an exorcist’s team. She shows you how to “clean up” your household by cultivating in your family a civilization of love — and how to withstand the spiritual attacks that inevitably come to destroy the harmonious family life you create. Beckman reveals how you can recognize diabolical disguises in your home and offers proven means of protection found only in the Church’s arsenal of spiritual weapons. You’ll also learn the devil’s strategies — how he does not necessarily seek to possess but simply to seed your family with the venom of hatred, desolation, envy, and vice. This, she explains, is why it’s so important for spouses and children to become schooled in the art of spiritual combat. It’s the only way you can destroy the works of the devil and unmask the hidden evil that weaves in and out of your daily family life. Along with more than two dozen effective prayers for family healing and deliverance, you’ll also learn: How to understand the spirits working for — and against — your family, and what to do in response to them What specific actions to take if you believe your family has come under the influence of demonic activity How to use your baptismal, spousal, and parental authority in spiritual warfare How curses can become effective — and what can be done to counteract them The difference between diabolical temptation, oppression, obsession, and possession The seven ways your family can wear the full armor of God The diabolical counterparts to each of the Ten Commandments and the Beatitudes The 13 weapons you can use to defend yourself and your family against evil spirits

Blessed Are the Bored in Spirit

A Young Catholic's Search for Meaning Servant Publications

My image of God the Father, enthroned in heaven in flowing white robes and Birkenstock sandals, was overshadowed by my certainty that he didn't want me to have any fun. God was all about rules.—from Chapter Five Too many young Catholics experience their faith as Mark Hart did: They rarely miss Mass even if they don't understand it; they have a Bible even if they never read it; they go to confession even if they aren't particularly repentant. Is that your experience of Catholicism? Is yours a faith of Thou Shalt Nots? If so, forget about a dreary life of mindless obedience to rules you don't understand. It's time to enter into the transforming light of your Creator who invites you to live from the still center of his undying love. The author's humorous and hard-hitting reflections drive home the point that God isn't calling the reader to be a good person—someone who merely obeys the rules—but a new person in Jesus Christ.

The Reed of God

A New Edition of a Spiritual Classic Ave Maria Press

First published in 1944 and now a spiritual classic for Catholics across the globe, The Reed of God contains meditations on the humanity of Mary, Mother of God. British Catholic writer and artist Caryll Houselander lovingly explores Mary’s intimately human side, depicting Our Lady as a musical instrument who makes divine love known to the world. This refreshed edition is rich and rewarding reading for all Christians who wonder what Mary was really like. While the Second Vatican Council led to a renewed interest in the theology and person of Mary, Caryll Houselander offered a simple yet profound reflection on the Mother of God almost fifteen years before the council began. Confronting the static, surreal “Madonna of the Christmas card,” Houselander provides instead an intuitive, warmly human, and approachable image of the Mother of God. Through the central image of a reed that is played for music, Houselander demonstrates how Mary chose to make herself an instrument for the divine plan, giving her inmost being to the proclamation of God’s greatness. In sharing her distinctive vision of Mary, Houselander offers the Mother of God as a model for all people seeking to be instruments of the Divine. The essays and poems in The Reed of God also reflect on the mysteries of Mary’s life and her impact on salvation history. In the book’s four parts, Houselander explores key events of Mary’s life, including her fiat, finding Jesus in the Temple, and the Assumption, as well as the themes of fruitful emptiness and the eternal search for union with God.

Trustful Surrender to Divine Providence

The Secret of Peace and Happiness *TAN Books*

"To remain indifferent to good fortune or to adversity by accepting it all from the hand of God without questioning, not to ask for things to be done as we would like them but as God wishes, to make the intention of all our prayers that God's will should be perfectly accomplished in ourselves and in all creatures is to find the secret of happiness and content."

Be Healed

A Guide to Encountering the Powerful Love of Jesus in Your Life *Ave Maria Press*

In the tradition of such beloved spiritual teachers as Francis MacNutt and Michael Scanlan, Be Healed: A Guide to Encountering the Powerful Love of Jesus in Your Life offers in book form Bob Schuchts's popular program for spiritual, emotional, and physical healing through the power of the Holy Spirit and the sacraments. This renowned program for spiritual restoration is steeped in scripture and the wisdom of the Catholic Church. Deeply intimate and vulnerable about his own journey of healing, Catholic therapist Bob Schuchts connects with his readers by sharing the series of betrayals he endured in high school—his father's infidelity, his parents' divorce, and his older brother's drug addiction—and his subsequent seasons of struggle

with God and faith. Be Healed is based on the program first used in dioceses across the United States to form the hearts and minds of Catholic clergy. Schuchts's trusted process for finding inner peace and healing is now expanded to serve the entire body of Christ, helping people recognize their brokenness and find hope in the risen Christ.

Handbook of Prayers

With God in Russia *Ignatius Press*

Father Walter Ciszek, S.J., author of the best-selling He Leadeth Me, tells here the gripping, astounding story of his twenty-three years in Russian prison camps in Siberia, how he was falsely imprisoned as an "American spy", the incredible rigors of daily life as a prisoner, and his extraordinary faith in God and commitment to his priestly vows and vocation. He said Mass under cover, in constant danger of death. He heard confession of hundreds who could have betrayed him; he aided spiritually many who could have gained by exposing him. This is a remarkable story of personal experience. It would be difficult to write fiction that could honestly portray the heroic patience, endurance, fortitude and complete trust in God lived by Fr. Walter Ciszek, S.J.
